Front-end	Hugo, Redux, React, HTML5, LESS, SASS
Back-end	Koa, Express, Django, REST API
Programming	Python, Azure, JAVA, OCaml, LaTeX
Languages	English, Portuguese

About

I'm extremely passionate about programming, web development and Linux. I've worked with many full stack technologies, mostly using Typescript and Python. I also love learning new technologies and aim to work with web security in the future. I'm a great problem solver and can work with agile environments.
