Languages	English, Portuguese

About

I'm extremely passionate about programming, web development and Linux. I've worked with many full stack technologies, mostly using Typescript and Python. I also love learning new technologies and aim to work with web security in the future. I'm a great problem solver and can work with agile environments.

I'm a open source enthusiast, love to contribute whenever I'm able to, and also discover all kinds of open source projects.
